

Teaching Safety Skills For Life

www.safetycentre.co.uk

Safety Education

The Safety Centre is the world's first safety education charity. Teaching safety skills to last a lifetime. We deliver safety education into your classroom. Invite our experienced Education Team into your classrooms for interactive, age appropriate safety education sessions for KS1 upwards.

Covering topics that support your PSHE curriculum including:

- Knife crime
- Drug and alcohol safety
- Online safety
- Gas safety
- First Aid
- Emergency Services

We're always developing our education programme and if you need support with an emerging safety topic in your school please get in touch.

Training and Venue Hire

Helping your team stay safe with First Aid training at your premises or at our education centre in the heart of Milton Keynes. All courses are accredited and accepted by OFSTED, HSE Inspectors and the Department for Education.

From one day emergency first aid at work courses to certified three-day courses and paediatric first aid we have a course to cover your needs as a business or individual. Find out more on our website: safetycentre.co.uk/first-aid-training.

Our education centre in Kiln Farm Milton Keynes is available for venue hire, for conferences and meetings, interactive training or as an immersive set for your event. Hire a room or the exclusive use of the centre. Previous uses include conferences, block bookings for training providers, immersive training for paramedic and midwifery students and scent detection training for dogs.

Call today to find out more about how we can help you **01908 263009** or email: bookings@safetycentre.co.uk

Skills that last a lifetime

Please help support our life saving work

The Safety Centre is the world's first safety education charity. Our vision is for a society where all children, young people and adults have access to safe, flourishing communities by learning safety skills that last a lifetime.

We work with local, regional and national partners to deliver safety education that lasts a lifetime.

Please support our lifesaving work to ensure everyone has the tools to keep themselves safe today and in the future. Visit: safetycentre.co.uk/donate
